Are you available to volunteer during our camp session?
August 20th to August 26th _____ yes _____ no

Community Service Volunteer Options:

- _____ Helping out our Kennett Square office prior to the camp session.
- _____ Registration on the first day of camp (August 20th 11am-4pm)
- _____ Helping out with events during the week of camp.

Please provide us with the dates and times you are available and we will add you to the schedule.
Dates: _____ Times: _____

All volunteers must complete this form, participate in an interview with Camp Dreamcatcher staff and complete a short training prior to volunteering. Please mail, fax or email your completed form to our office as soon as possible.

Once you arrive at Camp Saginaw please park on the Left. Do not drive your car past the parking lot.

- 1 All volunteers must check in immediately upon arrival at the camp with the Camp Dreamcatcher Staff.
- 2 All volunteers must sign the required agreements/forms. All visitors will receive a name badge, and must wear this name badge while on camp premises.
- 3 Unless otherwise directed by the camp director or program director, all volunteers must be accompanied by a camp staff person at all times during their visit.
- 4 If it is necessary for a visitor to spend the night on camp premises, advance notice must be given to the camp director and a criminal background check must be performed. No volunteer may stay overnight unless the background check is completed and permission obtained from the camp director.
- 5 No volunteer may spend the night on camp premises unless they have read, signed and agreed to abide by the Camp Rules and Camp Dreamcatcher Agreements, noted above.
- 6 Any volunteers or guest found not to be in compliance with the above requirements will be asked to immediately vacate the premises and will be escorted by a camp staff member from the premises. They will be informed that should they return to the premises without complying with the requirements, they will be considered to be trespassers and appropriate action taken by the camp.
