Equine Mindfulness Based Therapy

Dear Friend:

This year we are dreaming big! Our goal is to raise at least \$40,000 at our annual event to support our FREE therapeutic and educational programs for HIV/AIDS impacted youth. Camp Dreamcatcher has been offering free therapeutic and educational programs to HIV/AIDS impacted youth for over twenty-two years.

The children attending our programs come from PA, DE, MD, NJ and NY and 98% of the youth are from low-income households. Over 230 counselors, medical personnel, professionals and community members volunteer during our camp session in August.

What started as a one-week therapeutic camp session has expanded to include the following programs:

- a one-week therapeutic and educational Camp Session for 130 campers
- a weekend Teen Leadership Retreat
- Camper/counselor Reunion Events
- HIV/AIDS Education, Training and Community Outreach
- a holiday Adopt-a-Family Program
- a Mentoring Program

I know I am not the only dreamer out there. Please join us in sponsoring our annual event and help make dreams come true for children coping with HIV/AIDS and their families.

With warm regards,

Patty Hillkirk, Founder/Director
