Fall/Winter 2019

2019 Therapeutic & Educational Camp Session Report

The 24th Therapeutic and Educational Camp Session was held August 18th – 24th, 2019. The program served 122 HIV/AIDS impacted youth between the ages of 5-17, and 13 young adults between the ages of 18-25. Ninety-two percent of the campers were African American, 3% Caucasian, 1% Asian American and 4% Biracial. One hundred percent of the campers come from low-income households, and only 13% have access to therapeutic and educational programs in their own communities.

We achieved the following Program Goals during the camp session:

Goal: To improve the physical and emotional health of the children. We offered **112 therapeutic sessions** (psychotherapy, music therapy, art therapy, sessions with therapeutic dogs, yoga, mindfulness therapy, wilderness-based therapy and massage) during the camp week. The wilderness-based therapy program for the 15 year-olds increased from one night to two nights this summer.

Goal: To offer educational sessions that explore issues, problems and concerns common amongst HIV/AIDS infected and/or affected youth. We offered **50 age appropriate educational sessions** on depression, HIV/AIDS, grief, eating disorders, body image, abuse, addiction, HIV medication compliance, conflict resolution, anger management, puberty education and suicide prevention. A new Life Skills Track was implemented in the Leaders in Training Program, which included sessions on applying to college, resume writing, budgeting and teambuilding. The LIT's also spent time assisting the counselors with the youngest campers.

Goal: To give the children and adolescents attending our programs the chance to feel free from the secret of HIV/AIDS and have fun – just like any other kids! During the camp week, we provided **160 recreational programs**. These included arts & crafts, archery, karate, swimming, fishing, hiking, go-kart racing, movies on a giant blow up screen, the Hedgerow Theatre, miniature golf, dodge ball, basketball, horseback riding, a camp wide carnival, Dorrie's Store, dancing, cooking, a visit from the Brandywine Zoo and the annual John Flynn Concert!
