**Why do you think Camp Dreamcatcher is important?**

*"Because some kids don't have love."*

*"Because everyone has your back."*

*"This is safe haven for us all and not everyone has a place like this to go to."*

**What did you learn at camp?**

*"Patience and to be respectful and not to judge people and just have fun."*

*"this last week meant the most to me. It has improved my life by making me feel good about myself. A strength I learned was how to control my feelings."*
